Dave,

I'm interested in attending the July 22nd meeting on behalf of Hudson County and did not receive the meeting invitation. Please resend the agenda and RSVP forms.

Thank you,

Massiel

Subject: Passaic River Proposed Plan for Cleanup of the Lower Eight Miles: Upcoming events and key dates

Upcoming Events & Key Dates

- **July 22, 2014:** The Passaic River Coalition, in conjunction with the New Jersey Institute of Technology (NJIT), will hold a public forum at NJIT to discuss two important elements of the Proposed Plan for cleanup of the lower eight miles of the lower Passaic River, and other alternatives that were considered: the navigation channel and disposal of dredged materials. The agenda and forms to RSVP and submit questions were distributed via separate email.

New Jersey Institute of Technology

Newark, New Jersey

- **August 20, 2014:** Close of the public comment period on the Proposed Plan for the Lower Eight Miles. To submit written comments, please send them to:

Alice Yeh, Remedial Project Manager

U.S. Environmental Protection Agency

290 Broadway

New York, New York 10007-1866

Or email to:

PassaicLower8MileComments.Region2@epa.gov

Resources/Documents

- The Passaic River Community Advisory Group (CAG) requested Technical Assistance Services for Communities (TASC) consultants to independently review and provide technical comments on the Focused Feasibility Study and Proposed Plan for the lower eight miles of the Lower Passaic River. Specifically, the CAG requested information to help community members prepare comments to share with EPA about the Proposed Plan. Review the summary report and the new recently-issued reports that are attached

- The Passaic River Public Digital Library at <http://passaic.sharepointspace.com/SitePages/Home.aspx> contains a large number of site documents, including public outreach documents and Passaic River CAG documents and public meeting presentations. The Digital Library is maintained on <http://www.ourpassaic.org>.

- Public meeting transcripts for the May 7 (Newark) and May 21 (Kearny) public meetings on the Proposed Plan are now available in the Digital Library at <http://passaic.sharepointspace.com/Public%20Documents/Forms/AllItems.aspx>.

- The Proposed Plan and other site documents are available at the project websites at <http://www.epa.gov/region02/passaicriver> and at <http://ourpassaic.org>.
